**In the matter of: Request for Review by the Oak Harbor School District #201 of  
Decision of Universal Service Administrator.**

**Reference: FCC Docket #'s 97-21 and 96-45**

The Oak Harbor School District is very interested in continuing e-rate discounts on qualified services for year two, 1999-2000. The Oak Harbor School District received discount funding in year one from the E-rate Program for the same services the Schools and Libraries Division Administrator has denied for year two. The applications for year one and two differ only in that the Oak Harbor School District inadvertently checked Item #10 on its application in confusion and through misunderstanding of the technical requirements for competition on the website.

The Oak Harbor School District submitted (via website in sufficient time for these services to be posted to the SLD website for 28 days) year two E-rate Discount Requests to the Schools and Libraries Division Administrator in accordance with the Schools and Libraries Division Website posted procedures (see Form 470 and 471 attached). However, as stated above, during the submittal process the school district inadvertently checked Item #10, which should have been left unchecked.

At the OHSD location, (Whidbey Island, Washington), there is only one telephone service provider for basic and T-1 data services. These two basic telecommunication services are tariff services and no written contract is available from the sole provider in this area, GTE Northwest. Competitive bidding would not have taken place regardless of whether or not services were posted to the website for 28 days. The Schools and Libraries Administrator has determined there could not have been competition between providers for these services due to the services not being posted to the website for 28 days. Long distance services are assignable to a number of different long distance providers, but no competitive bidding took place due to our incorrectly checking Item #10.

The Oak Harbor School District respectfully requests the Federal Communications Commission reverse the denial decisions on requests #202474 and #246000 issued by the Schools and Libraries Division Administrator for funding of basic telephone services and T-1 data line rental services (See Administrator's Decision on Appeal).

Oak Harbor School District is not seeking relief but rather fair and equitable assessment of their e-rate services request. Documentation to support this request is attached. Copies of this communication will be forwarded to the Schools and Libraries Division Administrator consistent with the requirements for service of documents set forth in the 47 CFR 1.47.

Re: Billed Entity Number: 145238  
Application Number: 135449  
Funding Request Number(s): 202474  
Your Correspondence Dated: July 15, 1999

After thorough review and investigation of your appeal, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company has resolved your appeal seeking approval of additional discounts for the second program year. This letter addresses our decision concerning each Funding Request Number that was included in your letter of appeal for the Application Number cited above. If your letter of appeal addressed more than one Application Number, a separate letter will be issued to inform you of our decision on the appeal of each Application Number.

Funding Request Number: 202474  
Decision on Appeal: Denied in full

**Denial Reason(s):**

- Tariff telecommunications services were not posted to the Web Site for 28 days because you checked Item 10 on the Form 470. FCC Competitive Bidding Requirements for this program require that these services MUST be posted to the Administrator's Web site on a Form 470 for 28 days before selecting a vendor, entering into a contract, signing and submitting a Form 471.

If you feel further examination of your application is in order; you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12<sup>TH</sup> Street, SW, Room TW-A325, Washington, DC 20554. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted to the SLD Web Site at <[www.sl.universalservice.org](http://www.sl.universalservice.org)>. You must file your appeal with the FCC no later than 30 days from the date of the issuance of this letter, in order for your appeal to be timely filed.

You should now move ahead, if you haven't already done so, with your Form 486 and related post-commitment arrangements for services for which funds have been committed and services have begun to flow. We thank you for your continued support, patience, and cooperation during the appeal process.

Re: Form 471 Application Number: 135449  
Funding Year: 07/01/1999 - 06/30/2000  
Billed Entity Number: 145238

Thank you for your 1999-2000 E-rate application and for any assistance you provided throughout our review. We have completed processing of your Form 471. This letter is to advise you of our decisions.

**FUNDING COMMITMENT REPORT**

From your Form 471, we reviewed row-by-row discount requests in Items 15 and 16. We assigned each row a Funding Request Number (FRN). On the pages following this letter, we have provided a Funding Commitment Report for each FRN in your application.

Attached to this letter you will find a guide that defines each line of the Funding Commitment Report and a complete list of FRNs from your application. The SLD is also sending this information to your service provider(s) so arrangements can be made to begin implementing your E-rate discount(s). We would encourage you to contact your service providers to let them know your plans regarding these services.

**FOR QUESTIONS**

If you have questions regarding our decisions on your E-rate application, please notify us in writing. Your questions should be sent to: Questions, Schools and Libraries Division, Universal Service Administrative Company, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981.

**FOR APPEALS**

If you wish to appeal to the SLD, your appeal must be made in writing and received by us within 30 days of issuance of this letter as indicated by its postmark. In your letter of appeal, please include: correct contact information for the appellant, information on the Funding Commitment Decision you are appealing and the specific Funding Request Number in question, and an original authorized signature. Appeals sent by fax, e-mail or phone call cannot be processed. Please mail your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981. You may also call our Client Service Bureau at 888-203-8100. While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445 12th Street SW, Room TW-A 325, Washington, D.C. 20554.

**NEXT STEPS**

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step is to complete and submit the enclosed FCC Form 486. This Form notifies the SLD that you are currently receiving or have begun receiving services approved for discounts and provides certified indication that your technology plan(s) has been approved. As you complete your Form 486, you should also contact your service provider to verify they have received notice from the SLD of your commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you. For further detailed information on next steps, please review all enclosures.

POST-COMMITMENT REMINDER

\_\_\_\_\_ We would like to remind you that all approved applicants are subject to post-funding commitment audits and other reviews by the SLD to assure that the discounts are being used in compliance with the program rules. Any applicant that is found to have violated program rules will be subject to enforcement activities and other means of recourse by the SLD and other appropriate Federal, State and local authorities.

\_\_\_\_\_

\_\_\_\_\_ We look forward to continuing our work with you on connecting our schools and libraries together through communications.

Sincerely,  
Kate L. Moore  
President, Schools and Libraries Division, USAC

## EXPLANATION OF A FUNDING COMMITMENT REPORT

Attached to this letter will be a report for each approved E-rate funding request from your application. We are providing the following definitions.

- \* **FUNDING REQUEST NUMBER (FRN):** A Funding Request Number is assigned by the SLD to each line completed in Items 15 and 16 of your Form 471 once an application has been processed. This number is used to report to applicants and vendors the status of individual discount requests submitted on a Form 471. Applicants and vendors learned about FRNs when they received their Receipt Acknowledgement Letter and must use these numbers when completing the Form 486 and Invoices. An FRN will never be longer than 10 digits. If a FRN is shorter than 10 digits, applicants are advised to add zeroes to the front of the numbers to reach 10 digits when filing post-commitment forms.
- \* **FUNDING STATUS:** Each FRN will have one of six definitions: "Funded", "Denied", "Partially Funded", "Funds Exhausted", "Unfunded", or "As Yet Unfunded". An FRN that is "Funded" will be approved at the level that SLD determined is appropriate for that item. That will generally be the level requested by you unless the SLD determines during the application review process that some adjustment is appropriate, for example, a different discount percentage for that FRN than the Form 471 featured. A "Denied" FRN is one for which no funds will be committed, and the reason for that decision will be briefly explained in the "Funding Commitment Decision", and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation". In accordance with FCC program rules, FRNs are "Partially Funded" or "Unfunded", if the total amount of funds in the Universal Service Fund is insufficient to fully fund or fund all approved requests. If the Form 471 was received after all the funds in the Universal Service Fund were allocated and it was processed, the status will indicate "Unfunded - Funds Exhausted". "As Yet Unfunded" is a temporary status that would be assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for a particular service type at a particular discount level. For example, if your application included both telecommunications services and internal connections, you might receive a letter with our funding commitment for your telecommunications requests and a message that your internal connections requests are "As Yet Unfunded". You would then receive a later letter regarding our funding decision on your internal connections requests.
- \* **SPIN (Service Provider Identification Number):** A unique number assigned by the Universal Service Administrative Company to vendors seeking payment from the Universal Service Fund for participating in the universal service support programs. A SPIN contains 9 digits and should be included by applicants on their completed Form 471 applications. A SPIN is also used to verify delivery of services and to arrange for payment.
- \* **SERVICE PROVIDER NAME:** The legal name of the service provider.
- \* **PROVIDER CONTRACT NUMBER:** The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.
- \* **SERVICES ORDERED:** The type of service ordered from the service provider, as shown on Form 471.
- \* **EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT:** The first possible date of service for which the SLD will reimburse service providers for the discounts for the service. Note: If the actual service start date provided on a Form 486 is later than this date, the actual service start date set forth in the Form 486 will be the effective date of the discount.
- \* **CONTRACT EXPIRATION DATE:** The date the contract expires. This will be present only if a contract expiration date was provided on Form 471. This is not applicable for tariff services.
- \* **SITE IDENTIFIER:** This will appear only for FRNs listed in Item 16 of your Form 471. For public schools, the 12-digit NCES code you listed in Item 14 for this school site will appear here. If there is no NCES Code for an FRN in Item 16, the SLD-assigned entity number will appear here.
- \* **PRE-DISCOUNT COST:** Amount in Column 10 of Item 15/16, Form 471, as determined through the application review process. Please note that, during the Problem Resolution process at SLD, the amount in Col. 10 of Item 15/16 may have been corrected to conform to the information provided about Service Start Date and

Monthly Costs.

- \* DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.
- \* FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD is now reserving to reimburse service providers for the discounts for this service through June 30, 2000. This figure may be different from the Estimated Total Annual Pre-Discount Cost (Col. 10 of Item 15/16) times the Percentage Discount (Col. 11 of Item 15/16) in the 471 application. It may be lower because of an adjustment determined appropriate by the SLD, such as of the discount percentage, or a denial of discounts and, if so, the accompanying comment will explain this difference. The difference may also reflect a reduction from the request level made necessary by overall funding limitations, in which case the "Funding Status" above will indicate "Partially Funded" or "Unfunded". Whatever amount is listed here, it is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts on only eligible, approved services actually rendered.
- \* FUNDING COMMITMENT DECISION EXPLANATION: This entry may appear to amplify the comment in the "Funding Commitment Decision", if the discount request for this service is denied for reasons other than "Unfunded" or if the SLD determined that some adjustment to the request level was appropriate.
